

Safer Custody Portal for families, friends and carers

1.

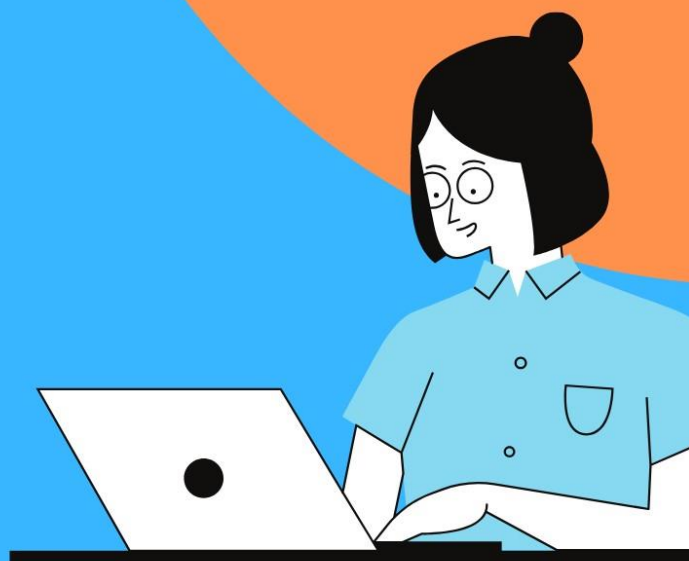

Enables families to share concerns about a prisoner via online contact form that is sent directly to safer custody.

2.

Signposts families to correct source of information or support.

3.

Provides information about the prison safer custody team.

If a family member is worried and wants to share a concern make sure they visit:

www.prisonersfamilies.org/pages/category/need-urgent-help?
